I would like to express my keen interest in filling the position of MRI Customer Service Engineer in your esteemed company.

I am Moaaz Remah El Sayed, as Fresh Graduated from Biomedical Engineering Department from Mansoura University, Class of 2023.

Currently, I am completing my Biomedical Engineering diploma at Siemens Healthineer. During my studies, I completed training in several hospitals such as Dar Al Fouad and Hospital 57357. These experiences contributed to developing my abilities in dealing with clients and understanding their needs in the healthcare environment.

I also did an internship in Medical Technology as an agent company for Canon. The training program was divided into two parts: training on X-ray and ultrasound. During this training, I gained valuable experience in precision diagnostic equipment such as X-ray, CT, and ultrasound, which helped me develop a deep understanding of the challenges of the healthcare industry.

I am very excited to join your team and contribute to improving customer service and support of your MRI technology. I am committed to providing quality service, meeting customer expectations and maintain highest customer satisfaction. Thanks to my extensive education and training, I believe I have the knowledge and skills necessary to succeed in this role.

I look forward to the opportunity to discuss how I can contribute to your company and achieve its goals. Thank you in advance for your efforts in reviewing my application. Please note that I will be attaching my CV to this letter. If you require further information or an interview, please do not hesitate to contact me by phone or email below.

Thank you for the attention you pay to my order. I look forward to the opportunity to join your team and work with you.

Best Regards
Moaaz Remah
